
JOB OPPORTUNITY

Instituto Medico San Nicolas (ImSan) is a Joint Commission International-accredited (JCI) hospital since the 24th of June 2023.

ImSan is offering an opportunity for one (1) qualified Family Physician to work together in a newly established HOED (Huisartsen Onder Een Dak) in San Nicolas. The concept of a HOED involves multiple family physicians working collaboratively under one roof, providing comprehensive primary care services to the community. This model allows for better coordination of care and improved access to healthcare services for patients.

ImSan is looking for a compassionate and dedicated Family Physician to provide top-notch medical care, tailored to the specific needs of their patients.

One of the many advantages of working at ImSan is that our hospital will manage the HOED, freeing the physician to focus on what they do best – providing care and cure. This means that administrative tasks and other non-clinical responsibilities will be handled by the hospital, allowing the physician to dedicate more time to patient consultations, diagnosis, and treatment. Supporting staff, amongst others, certified doctor's assistants, POHs, and secretaries will be provided by ImSan.

We are seeking a certified Family Physician who is an expert in diagnosing and treating a wide range of health conditions for patients of all ages. Our facility is centrally located in San Nicolas with parking and easy access for all patients.

If you are interested to join our Family Physicians, please send your job application letter and curriculum vitae to Mrs. Elisa Campbell – Duijm, Human Resource Manager by October 24th, 2025 via email at hr@imsan.aw.

We look forward to welcoming you soon.
