Key Responsibilities:

- Provide leadership and direction for all hospital operations, staff, and financial management.
- Develop and implement strategic, organizational, and financial policies.
- Ensure compliance with healthcare regulations, medical protocols, quality standards, and ethical practices.
- Oversee clinical activities and promote continuous improvement in patient care and service delivery.
- Represent the organization internally and externally, including reporting to the Supervisory Board.
- Foster innovation and development of healthcare services aligned with evolving healthcare needs.
- Build and maintain effective relationships with stakeholders across the healthcare sector in Aruba.
- Ensure sound financial management, budgeting, accountability and reporting.

Profile:

- Academic degree in a field relevant to the position, e.g. a master's degree in medicine, healthcare, public health, management, legal.
- Extensive experience in healthcare administration, having strong organizational skills to manage multiple projects simultaneously and oversee the daily management of the hospital.
- Strong ethical decision-making skills.
- Strong leadership and management skills.
- Experience in healthcare or a medical environment.
- Strategic thinker with excellent communication skills.
- Committed to quality, ethics, and organizational development.
- The Director shall reside in Aruba.

Offer:

Compensation package will be according Landsverordening Normering Topinkomens (LNT)
– AB 2022 no.91.

Application Process:
